This update supplements Form SS-4, Application for Employer Identification Number (EIN) (Rev. January 2010), and provides additional information for filers of the form. Filers should rely on this update for the changes described, which will be incorporated into the next revision of the form and instructions.

In December 2016, the Department of Treasury issued final amendments to the regulations under sections 6038A and 7701 of the Internal Revenue Code (TD 9796). The following information describes modifications to the Form SS-4 and associated instructions necessary to implement these regulations (in conjunction with related international standards of transparency).

Filing required by certain disregarded entities

For tax years of entities beginning on or after January 1, 2017 and ending on or after December 13, 2017, domestic disregarded entities that are wholly owned by one foreign person are treated as reporting corporations for purposes of the reporting and record maintenance requirements under section 6038A. These entities are required to file Form 5472, Information Return of a 25% Foreign-Owned U.S. Corporation or a Foreign Corporation Engaged in a U.S. Trade or Business (Under Sections 6038A and 6038C of the Internal Revenue Code), with respect to each related party with which the reporting corporation has had any reportable transactions. See Regulations section 1.6038A-2. In order to file Form 5472, an entity must have an EIN. See section 6109(a)(1) and Regulations sections 301.6109-1(a) (1)(ii)(C) and 301.6109-1(b).

Lines 7a-b. Name of responsible party. The full name (first name, middle initial and last name, if applicable) and SSN or ITIN of the entity's responsible party are required.

Responsible party defined. For entities with shares or interests traded on a public exchange, or which are registered with the Securities and Exchange Commission, the responsible party is (a) the principal officer, if the business is a corporation; (b) a general partner, if a partnership; or (c) a grantor, owner, or trustor, if a trust. For tax-exempt organizations, the responsible party is generally the same as the "principal officer" as defined in the Form 990 instructions. For government entities, the responsible party is generally the individual that can legally bind the government entity.

For all other entities, the responsible party is the individual (i.e., the natural person) who ultimately owns or controls the entity or who exercises ultimate effective control over the entity. The individual identified as the responsible party should have a level of control over, or entitlement to, the funds or assets in the entity that, as a practical matter, enables the individual, directly or indirectly, to control, manage, or direct the entity and the disposition of its funds and assets.

Line 9a Type of Entity

Disregarded entities. A disregarded entity is an eligible entity that is disregarded as separate from its owner for federal income tax purposes. Disregarded entities include single-member limited liability companies (LLCs) that are disregarded as separate from their owners, qualified subchapter S subsidiaries (qualified subsidiaries of an S corporation), and certain qualified foreign entities. See the Instructions for Form 8832 and Regulations section 301.7701-3 for more information on domestic and foreign disregarded entities.

The disregarded entity is required to use its name and EIN for reporting and payment of employment taxes; to register for excise tax activities on Form 637; to pay and report excise taxes reported on Forms 720, 730, 2290, and 11-C; to claim any refunds, credits, and payments on Form 8849; and where a U.S. disregarded entity is wholly owned by a foreign person, to file information returns on Form 5472. See the instructions for the employment and excise tax returns and Form 5472 for more information.

Complete Form SS-4 for disregarded entities as follows:

- If a disregarded entity is filing Form SS-4 to obtain an EIN because it is required to report and pay employment and excise taxes, or for non-federal purposes such as a state requirement, check the box Other for line 9a and write "Disregarded entity" (or "Disregarded entity-sole proprietorship" if the owner of the disregarded entity is an individual).
- If the disregarded entity is requesting an EIN for purposes of filing Form 5472 as required under section 6038A for a U.S. disregarded entity that is wholly owned by a foreign person, check the box Other for line 9a and write "Foreign-owned U.S. disregarded entity – Forms 1120 and 5472."

- If the disregarded entity is requesting an EIN for purposes of filing Form 8832 to elect classification as an association taxable as a corporation, or Form 2553 to elect S corporation status, check the box *Corporation* for line 9a and write "Single-member" and the form number of the return that will be filed (Form 1120 or 1120S).
- If the disregarded entity is requesting an EIN because it has acquired one or more additional owners and its classification has changed to partnership under the default rules of Regulations section 301.7701-3(f), check, the box *Partnership* for line 9a.
